**Lecturer in Mathematics (temporary, 5 years)**

University College Dublin is seeking to appoint a temporary Lecturer in Mathematics for 5 years in the UCD School of Mathematical Sciences.

UCD School of Mathematical Sciences is committed to research and teaching across the mathematical sciences, including Mathematics, Applied and Computational Mathematics, Statistics and Actuarial Science, and Meteorology and Climate Science. The advertised position concerns the discipline of Mathematics.

The successful candidate will be expected to engage in research in some aspect of mathematics (Algebra or Analysis), including supervision of research students and projects, and to contribute to the School's teaching programmes.

Applications from excellent candidates with interests in any area of Algebra or Analysis will be considered.

2010 Salary Scale: €35,355 - €81,452 per annum

2011 Salary Scale: €31,820 - €73,307 per annum\*

*\*Please note that all new entrants to the public sector as of 01 January 2011 will be subjected to a revised scale.*

Appointment on scale will be made commensurate with qualification and experience.

- Applications must be made through [www.ucd.ie/jobvacancies](http://www.ucd.ie/jobvacancies). Applications submitted by email will be returned.
- Applications must be submitted by the closing date and time specified. Any applications which are still in progress at the closing time of 11:30pm on the specified closing date will be cancelled automatically by the system. UCD are unable to accept late applications
- All current recruitment which is taking place within UCD is dependent on non-Exchequer, external and self-funding sources of finance.
- UCD do not require assistance from Recruitment Agencies - Any CV's submitted by Recruitment Agencies will be returned.
