Applied and Computational Mathematics Seminar

Prof Bernard Molin (Ecole Centrale de Marseille, France)

will speak on

**Experimental and numerical study of liquid sloshing;
Third-order effects in wave-body interaction.**

Fri 30th March 2012 at 11:00AM

Location: (See abstract)

Friday, 30 March, in Merrion Seminar Room (ground floor Radio House). Time: 11:00 to 13:00

Location: Merrion Seminar Room (ground floor Radio House)

Speaker: Prof Bernard Molin (Ecole Centrale de Marseille, France)

Talks: (1) Experimental and numerical study of liquid sloshing in a rectangular tank with three fluids (2) Experimental and numerical study of the sloshing motion in a rectangular tank with a perforated screen (3) Third-order effects in wave-body interaction

This talk is part of the **Applied and Computational Mathematics** series. For more, see
