

## Analysis Seminar

**Title:** About spin factors

**Speaker:** M. Mackey

**Date:** Tue 16th April 2019 at 4:00PM

**Location:** Seminar Room SCN 1.25

**Abstract:** Spin factors, also known as spaces of Spinors, or as Type IV Cartan factors, form a somewhat obscure class of Banach spaces. We will briefly review their algebraic structure paying particular attention to their holomorphic automorphisms with a view to identifying the existence of fixed points.
