Title: Error estimates of L-splines and polysplines

Speaker: Hermann Render

Date: Tue 29th October 2019 at 4:00PM

Location: Seminar Room SCN 1.25

Abstract: In this talk error estimates of univariate L-splines of order 4 and error estimate of polysplines of order 2 are discussed.

This is joint work with Ognyan Kounchev (Bulgarian Academy of Sciences).
