General Interest Seminar

**Dr Robert Vertes, Senior Lecturer in Education, PGCE
Admissions and Maths Tutor (St Mary's University College,
London)**

will speak on

Information session on doing a PGCE in Mathematics in the UK

Fri 23rd February 2007 at 10:00AM

Location: Mathematical Sciences Seminar Room

Dr Bob Vertes from St Mary's University College London, will be holding an information session on doing a PGCE in Mathematics.

This may be of particular interest to any second or third year students interested in secondary mathematics teaching.

This talk is part of the **General Interest** series. For more, see
<https://maths.ucd.ie/seminars>
