## K-Theory, Quadratic Forms and Number Theory Seminar

---

**Dr. Alexei Zaytsev (UCD)**

will speak on

**Curves with many rational points**

Wed 8th October 2008 at 3:00PM

Location: Mathematical Sciences Seminar Room

In this talk we review the basic upper and lower bounds on the number of rational points on curves over finite fields. We also discuss current progress in this area.

This talk is part of the **K-Theory, Quadratic Forms and Number Theory** series. For more, see <https://maths.ucd.ie/seminars>
